Mr. and Mrs. Sitaspell's Ol' Grey Farm House

As the sun sets and night falls across Boydsville, Mr. and Mrs. Sitaspell enjoy nothing more than a little peace and quiet in front of the ol' brick fireplace while the little one sleeps upstairs. Ya see, life on the farm ain't always easy...between tendin' to the crops and chasin' after the youngins, folks sure can get tired. But if ya ask the Sitaspells, nothing's more satisfying than putting in an honest days work, surrounded by the ones ya love.

Pastor John's Woodland Church

Way up north, nestled deep inside the woods, sits Pastor John's Woodland Church. As the mornin' sun casts its colorful rays across the ol' wooden pews, Pastor John stands ready at his pulpit, preparin' the sermon for his devoted congregation. Alter Attendant Jacob stands at the ready...waitin' to greet each member of the parsonage as they arrive to hear Pastor John's inspirin' message of love, hope and faith.
