

Bearstone Train Series

The Fun Never Ends on a Train Ride With Friends!

- Each handcrafted, safari-themed railroad car depicts a scene of fun and excitement as the bears travel along the train tracks
- No detail overlooked! From the tiny lit' animals that hitch a ride on the train to the shiny metallic train and railroad tracks, our master artisans capture the essence of good ol' safari fun!
- First three introductions of a 6-piece collection.
- Hand-numbered 3,600 piece editions.
