St. Francisbeary & Friends

A tribute to St. Francis Patron Saint of Animals, St. Francisbeary affectionately holds a stone bird feeder in his hands while animals gather close to him. With his pure love for nature St. Francisbeary is sure to bring life and tranquility to any garden or home!

Each animal is hand-crafted with incredible detail to accentuate life-like qualities. Navy robe is designed with a hand applied antique over-wash that gives it a well worn look and feel.
