Peace on Earth

14"

Design showcases an abundance of intricate embroidered details...from the embroidered message of peace and ornamental design encircling the bottom of her quilted gown to her bib-style collar showcasing Jim Shore's signature heart design. Her embroidered angel wings feature hand-pieced fabrics, and both her fabric paw pads and ear-linings are embellished with ornate embroidery. Sweetly perched upon her paw is a red cardinal crafted in velour fabrics with embroidered design.

Gift box and bear-stand included.
