This delightful duo is sure to melt hearts even on the coldest of days! Crafted in ultra-suede, a vibrantly colored ornamental embroidered pattern surrounds the design. Velour fabrics are used in both his button down vest and cap. Vest features diamond and scallop embroidered pattern. Wearing a knit scarf, he holds a tear-drop style velour ornament with heart embroidery and coiled wire hanger. His frosty friend is a fully jointed 6" Boyds® Bear wearing a knit scarf with embroidered velour trim with the smallest of embroidered accents on his fabric lined ears. Snowman features flat-bottom design and bear includes cardboard inserts in feet for easy posing.
